Confirmation of Informed Consent and Medical Necessity for Genetic Testing

My signature below certifies that I am a licensed medical professional or his/her representative or a genetic counselor authorized to order genetic testing. My signature further acknowledges the patient has been supplied information regarding genetic testing and has been informed about the purpose, limitations and possible risks. The patient has been given the opportunity to ask questions about this consent and seek outside genetic counseling. The patient has given consent for genetic testing to be performed and the signed consent form is on file.

I confirm that this testing is medically necessary for the specified patient, and that these results will be used in the medical management and treatment decisions for this patient.

I confirm that the patient has been informed and hereby authorizes (i) Express Gene Molecular Diagnostics to release information concerning their testing to their insurer in order to obtain reimbursement for the testing services; (ii) Express Gene Molecular Diagnostics to be paid directly by the insurer for services rendered; and/or if applicable (iii) Express Gene Molecular Diagnostics or its affiliates to be the patient's designated representative for the purpose of appealing any denial of insurance benefits. I confirm the patient fully understands they are legally responsible for sending Express Gene Molecular Diagnostics any and all of the money that they receive directly from their insurance company in payment for this testing.

Medical Professional Signature _____ Date _____

Tests Ordered

☐ Express Gene™ Familial Cancer (Cancer) Panel

This panel investigates 290 genes, to identify the risk of genetic factors for various cancers such as breast cancer, ovarian cancer, prostate cancer, and others that run in a family.

Sample Information: ☐ Buccal Smear ☐ Blood
